

COMPARISON BETWEEN PUFIN POWER AND THE INSTITUTIONAL REPRESENTATIVES OF THE MUNICIPALITY OF RIO GRANDE DO SOUL ABOUT BUSINESS OPPORTUNITY IN THE BRASILIAN STATE

Massimo Pugliese, Pufin Power Group CEO, has been invited as speaker at the round table organized by the City of Naples and the Municipality of Rio Grande do Soul to illustrate the activities of the multinational Group lead by he himself in the energy sector and to display business opportunities offered by the Brazilian State of Rio Grande to Neapolitan companies.

Luigi de Magistris, Mayor of Naples, the Mayor Alexandre Lindenmeyer and Jordano Neuto, Secretary at Rio Grande do Soul Development Department, joined the meeting. It has been organized as a real opportunity to exchange experiences and information among professionals and businessmen involved with the Brazilian market.

The meeting concerned: Energy, Automotive, Civil Construction and Infrastructures, Shipping and shipbuilding, Food, Luxury, Designer Clothes, Jewelry, Luxury furniture and furnishing. During the meeting needs and local opportunities have been illustrated to Neapolitan companies and Associations potentially interested in expanding their activities in the aforementioned Brazilian area. The Brazilian has been represented by: Alexander Lindenmeyer, Mayor of Rio Grande, Hideraldo Luiz Caron Secretary of Rio Grande do Soul at Brasilia, Jordano Neuto, Secretary at Rio Grande do Soul Development Department, Luiz Antonio Pagot, Brazilian State of 'Ampa', Romeu Sheibe Neto representative, Romeu Sheibe Neto, Director of Brazilian Infrastructure and Transportation Department, Fabio Vicenzi, Administrator of Carbone and Vincenzi Consulting.

After the round table, a part of Brazilian delegation represented by Alexander Lindenmeyer, Mayor of Rio Grande (State of Rio Grande do Soul) and Jordano Marques Secretary at Rio Grande do Soul Development Department (State of Rio Grande do Soul), visited EL.ITAL. plant in Avellino and then the private residence of **Massimo Pugliese**, Ceo of Pufin Power Group. Joined the visits Lindenmeyer's wife (Eunice Lannes), prof. Paolo Carbone, Fabio Vicenzi and Marco Zanchi as member of Carbone&Vicenzi Consulting and Claudio Rossi Machado Prowind and Provento Administrator.

The Municipality of Rio Grande, in Rio Grande do Soul State, during 2014 had the possibility to create a series of activities to realize commercial and industrial exchanges with Italy even thanks to Government, Embassy and Ministries of Foreign Affairs and Economic Development direct interest, as well as the ones with some entities that are a part of Italia System such as INVITALIA, ICE, SACE, SIMEST and now Pufin Power is planning to expand its Energy activities in the Brazilian State.
